

MAKER SHOP · POLISHED LISTINGS

Brand Kit Etsy Sellers

A modern shop-growth system for improving listings, product stories, launch content, customer messages, reviews, and repeat-buyer momentum.

01

POLISH LISTINGS

03

CONVERT SHOPPERS

04

GROW REPEAT BUYERS

IMPLEMENTATION

Make the system feel made for the niche.

Start with the next shop moment: listing rewrite, product launch, customer reply, review request, seasonal promo, or retention email.

01

Start with the buyer moment

Use the asset that matches the next decision your client, customer, or lead needs to make.

02

Make it sound specific

Swap bracketed language, services, location, timeline, pricing context, and proof so the system feels built for the business.

03

Create one weekly rhythm

Batch content, follow-ups, prompts, and client messages together so execution feels simple instead of scattered.

fresh banner signals an active, current shop.

04

SHOP ASSET

Template 2: Product Flat Lay Post

Search 'product flat lay Instagram' or 'handmade product post'. Your product styled beautifully on a clean background (white, linen, marble, wood — whatever suits your aesthetic). Your shop name in small type, bottom corner. No cluttered backgrounds —

Template 6: Sale / Promotion Announcement

Search 'sale announcement Instagram' or 'discount post template'. Bold, eye-catching. '[X]% OFF' in large text. Brief details of what's on sale and for how long. Shop name and link. Use your accent colour (Amber or Terracotta) heavily for these — high contrast drives attention.

04

SHOP ASSET

Template 7: Customer Review Graphic

Search 'customer review Instagram' or 'testimonial post handmade'. Feature the most specific and emotional line from a 5-star review. Customer's first name or just '5-star review'. Your shop name. These are incredibly powerful social proof — schedule one
