Email Templates Accountants CPAs

A refined client-growth system for turning expertise into clearer communication, better follow-up, stronger referral touchpoints, and more trusted advisory relationships.

01

CLARIFY THE CLIENT CONVERSATION

02

FOLLOW UP WITH MORE AUTHORITY

03

BUILD TRUST BEFORE THE CONSULT

USE THE SYSTEM

Make expertise easier to trust.

Start with the asset closest to the next client moment: inquiry response, consultation follow-up, referral nurture, renewal conversation, education content, or retention touchpoint.

01

Lead with context

Adapt each asset around the client's situation, risk, urgency, and decision stage.

02

Sound clear, not canned

Keep the structure, then add the details that prove the client was heard.

03

Review before sending

Check every client-facing asset for accuracy, compliance, and professional tone.

Subject Something Worth Considering For [Year], [First Name]

Dear [First Name], I've been thinking about your situation and wanted to share something. Most of what we've done together has been compliance-focused — making sure your returns are accurate and filed on time. That's important. But there's a layer above compliance that many clients don't know to ask about: tax planning.

03

CLIENT SYSTEM

Tax Planning Means Looking Ahead — Structuring Income, Timing Deductions,

and making decisions proactively so that your tax bill next April is as low as legally possible. Given [one specific thing about their situation — their business growth / income level / upcoming transaction], I think there are real planning opportunities we haven't yet discussed. Would you be open to a 30-minute planning conversation? No additional cost for the call — I just want to make sure you're not leaving money on the table. Sincerely, [Your Name] | [Firm Name]
