BOOK THE SEASON

USE THE SYSTEM

Turn beautiful moments into booked experiences.

Start with the next floral moment: wedding inquiry, proposal follow-up, moodboard support, vendor outreach, seasonal campaign, or client questionnaire.

01

Clarify the vision

Help clients understand the feel, timeline, investment, and next step before they become overwhelmed.

02

Make the experience feel premium

Use polished communication, questionnaires, and planning assets to make the service feel high-touch.

03

Build referral momentum

Turn vendor relationships, client delight, and post-event follow-up into repeatable demand.

Your Client Falls In Love With

Brides and event clients fall in love with a florist's aesthetic before they ever speak to them. Your brand — your palette, your typography, how your Instagram grid looks — communicates whether you are the right artist for their vision. A distinctive, cohesive visual identity attracts the clients who are already aligned with your style. This kit gives you two palettes, typography pairings, and Canva strategies built specifically for florists and floral designers.

EXPERIENCE ASSET

Palette 1: Romantic Botanical

For florists with a romantic, lush, English-garden aesthetic. Think deep rose, champagne, sage, and the richness of a summer cottage garden.

04

EXPERIENCE ASSET

Palette 1 Usage

• Deep Rose (#3A1A2A): logo, headlines, primary text — romantic and distinctive • Champagne Gold (#C9922A): CTAs, accent details, price presentation, seasonal

campaign elements • Garden Sage (#7A9A6A): secondary accents, botanical content, natural green details • Petal Cream (#FDF5E8): all backgrounds — warm, organic, beautiful behind flower photography

02

EXPERIENCE ASSET

Typography

HEADINGS: Cormorant Garamond — the definitive botanical luxury font. Romantic, editorial, instantly premium. BODY: Jost — clean and warm. Reads beautifully across Instagram, email, and proposals. ACCENT: Pinyon Script — for studio name in logos, seasonal campaign titles, pull quotes. Use with restraint.

03

Palette 2: Modern Floral Studio

For florists with a cleaner, more architectural, editorial aesthetic — the studio that produces flowers that could be in a gallery.

04

Template 1: Floral Arrangement Reveal Post

Search 'floral arrangement Instagram' or 'flower photography post'. Your best arrangement photography fills the frame. Minimal text overlay: studio name in small serif type, bottom corner. Clean and editorial. Let the flowers speak. Create 10-15 of these with consistent overlay treatment and your feed will look immediately cohesive and professional.

04

EXPERIENCE ASSET

Template 2: Wedding Florals Carousel

Search 'wedding Instagram carousel' or 'floral slideshow'. 8-10 slides: atmosphere shot of the venue, ceremony flowers, bridal bouquet, table arrangements, detail shots, and a final slide with your studio name and inquiry CTA. Use this for every wedding you photograph. It is your most powerful portfolio format.

05

EXPERIENCE ASSET

Template 3: Seasonal Flower Guide Carousel

Search 'flower guide carousel' or 'botanical education slides'. 5-7 slides: one seasonal flower per slide — name, peak season, what style it suits, how long it lasts in water. A genuinely useful resource that saves at very high rates and attracts brides in the research phase.

Template 5: Client Testimonial Graphic

Search 'wedding testimonial quote' or 'client review floral'. Feature the most evocative line from a client's review — something that makes the reader feel the flowers. Client first name and wedding description below. Your studio name. Schedule one per week — social proof is your most powerful conversion tool.

02
