IMPLEMENTATION

# Make the system feel made for the niche.

Start with the next coaching touchpoint: discovery call follow-up, lead magnet, email nurture, framework post, client onboarding, or offer refinement.

01

**Start with the buyer moment**

Use the asset that matches the next decision your client, customer, or lead needs to make.

02

**Make it sound specific**

Swap bracketed language, services, location, timeline, pricing context, and proof so the system feels built for the business.

03

**Create one weekly rhythm**

Batch content, follow-ups, prompts, and client messages together so execution feels simple instead of scattered.
