IMPLEMENTATION

Make the system feel made for the niche.

Start with the next coaching touchpoint: discovery call follow-up, lead magnet, email nurture, framework post, client onboarding, or offer refinement.

01

Start with the buyer moment

Use the asset that matches the next decision your client, customer, or lead needs to make.

02

Make it sound specific

Swap bracketed language, services, location, timeline, pricing context, and proof so the system feels built for the business.

03

Create one weekly rhythm

Batch content, follow-ups, prompts, and client messages together so execution feels simple instead of scattered.

Subject Before You Decide — A Personal Ask, [First Name]

Hi [First Name], I hear you — and I want to respect your decision. Before you finalize it, I'd ask for one thing: a 20-minute call, just the two of us. Not to talk you into anything. Not to sell you on continuing. Just to understand

what's driving this — because in my experience, the impulse to stop almost always happens right before a breakthrough, not after. If after our call you still want to stop, I'll support that fully. But I'd feel I wasn't doing my job if I let you go without one real conversation.
