04

BOOK CONFIDENTLY

IMPLEMENTATION

Make the system feel made for the niche.

Start with the next family touchpoint: inquiry reply, parent update, onboarding questionnaire, availability message, testimonial request, or care introduction.

01

Start with the buyer moment

Use the asset that matches the next decision your client, customer, or lead needs to make.

02

Make it sound specific

Swap bracketed language, services, location, timeline, pricing context, and proof so the system feels built for the business.

03

Create one weekly rhythm

Batch content, follow-ups, prompts, and client messages together so execution feels simple instead of scattered.

AI Playbook Nannies

Use these assets to sharpen the offer, improve the client journey, and make the next action easier to take.

01

FAMILY ASSET

Growth Asset

A clear written working agreement protects both the nanny and the family. Nannies who propose a written agreement signal professionalism and prevent the most common sources of conflict — expectations around duties, sick leave, holidays, and notice periods.

02

FAMILY ASSET

Prompt — Working Agreement Introduction Email

Write an email to a family introducing the idea of a nanny working agreement before we begin. I want to: (1) frame the agreement as beneficial for both of us — clarity protects everyone, (2) mention the key areas it covers — hours, rate, duties, holiday
