## IMPLEMENTATION

# Make the system feel made for the niche.

Start with the next style touchpoint: inquiry reply, style questionnaire, wardrobe audit follow-up, package pitch, seasonal content, or referral request.

01

## Start with the buyer moment

Use the asset that matches the next decision your client, customer, or lead needs to make.

02

## Make it sound specific

Swap bracketed language, services, location, timeline, pricing context, and proof so the system feels built for the business.

03

## Create one weekly rhythm

Batch content, follow-ups, prompts, and client messages together so execution feels simple instead of scattered.

## Template 1: Before & After Client Transformation

Search 'before after comparison Instagram' or 'transformation post'. Two-column layout: before (what their wardrobe looked like / how they felt) on left, after (the capsule / the looks / the confidence) on right. Your logo bottom corner. These generate more saves

## Template 3: Outfit Formula Graphic

Search 'outfit formula template' or 'styling guide Instagram'. Clean flat-lay style layout showing how to combine 3-5 pieces into multiple outfits. Label each piece. Add your logo. These save at extremely high rates — they're genuinely useful reference graphics.

02

## STYLE ASSET

## Template 4: Client Testimonial Graphic

Search 'fashion testimonial quote' or 'client transformation quote'. Feature the most emotional or specific line from a review. First name and service type below. Your business name. Build trust before any conversation starts.

03

## STYLE ASSET

## Template 5: Pinterest Style Board

Search 'mood board Pinterest' or 'fashion inspiration collage'. Grid of 6-9 curated images representing a specific style aesthetic, season, or wardrobe goal. A well-keyworded Pinterest board can generate inquiries years after posting.

## Template 6: Instagram Story — Booking Cta

Search 'Instagram story booking' or 'consultation story template'. Vertical. A beautiful photo of you or your styling work as background. Overlay: 'Now booking [season] styling sessions' + 'limited availability'. Link sticker. Simple, clean, on-brand.

02

## STYLE ASSET

## Template 7: Tiktok Text Overlay Template

Search 'TikTok text graphic' or 'social media reel cover'. For the cover frame of your TikToks: your key point in large text, your name small at bottom, your brand colour background. Viewers see this before pressing play — make it impossible not to click.

03

## STYLE ASSET

## Template 8: Highlight Covers

Search 'Instagram highlight covers fashion' or 'Instagram story icons'. Create 6-8 round covers: Services, About, Reviews, Before & After, Style Tips, Shop My Looks, Contact. Consistent palette. These are among the first things a profile visitor sees.
