FOLLOW-UP RULES

THE COMMUNICATION STANDARD.

A simple operating rule for the studio.

01

Respond fast

RULE

Reply to every inquiry within the same business day when possible. Speed signals professionalism.

02

Add one specific detail

RULE

Every message should prove you read their inquiry, watched their reference, or understood their business objective.

03

Make one ask

RULE

Do not overload the client. Ask for one decision, one call, one questionnaire, or one confirmation.
