CLEANER PROCESS

HOW TO USE IT

ASK BETTER QUESTIONS, MAKE BETTER FILMS.

The right questionnaire protects the production day, improves the edit, and makes the client feel like the studio is already directing the story.

01

Pick the market

Decide whether the asset is for weddings, corporate work, commercial brands, or hybrid studios before customizing the copy.

02

Customize the proof

Add your style, portfolio examples, production process, delivery timeline, package names, and client outcomes.

03

Ship the system

Install the inquiry reply, follow-up sequence, questionnaire, content calendar, and vendor touchpoints before redesigning anything.

01

Styled shoot pitch

WEDDING MARKET

Propose a clear concept, partner value, usage plan, deliverables, and timeline. Make the collaboration easy to say yes to.

02

Vendor referral note

LOCAL NETWORK

Create a warm monthly check-in that shares one useful planning insight and one recent project link.

03

Agency support pitch

COMMERCIAL MARKET

Position the studio as a reliable production partner for campaigns, launches, recruiting, training, and client content.

IMPLEMENTATION

THE CLEAN CLIENT PROCESS.

This kit becomes a repeatable operating flow.

01

Inquiry

Send the right questionnaire only after the client has context.

02

Proposal

Use questionnaire answers to recommend the package.

03

Pre-production

Turn answers into timeline, shot priorities, and logistics.

04

Production

Keep must-capture moments visible.

05

Delivery

Use client goals to shape the handoff email.

06

Referral

Ask partners and clients while the experience is fresh.
