CLIENT-FIRST

PROMPT SET

Five fast wins.

01

Pre-treatment education

PROMPT

Write a provider-reviewed prep email for a [treatment] client. Include what to expect, what to avoid, what to bring, and a reassuring closing note. Avoid overpromised outcomes.

02

48-hour check-in

PROMPT

Write a warm follow-up after [treatment] with one care reminder, a realistic timeline, and a soft invitation to book the next step.

03

FAQ carousel

PROMPT

Turn the question '[client question]' into a 5-slide Instagram carousel for a med spa. Tone: calm, premium, clear, medically responsible.

RETENTION PROMPTS

Turn results into relationships.

01

Maintenance reminder

PROMPT

Write a maintenance reminder for a client who had [treatment] [timeframe] ago. Keep it warm, not pushy, and invite them to book a consultation or next visit.

02

Review request

PROMPT

Write a privacy-safe Google review request after a positive client experience. Do not mention treatment details. Make it short, grateful, and easy to act on.

— WANT THE FULL SYSTEM?

Turn the prompts into a complete client journey.

The full Med Spa Growth Bundle includes the AI Playbook, 90-day calendar, email templates, brand kit, pre-consult system, and implementation guide.
